

A++ Joint Venture – Slot Release Procedure Summer 2023

In May 2013, the European Commission (EC) adopted a commitment decision under Article 9 of Regulation 1/2003 in relation to the transatlantic joint venture between Air Canada, Deutsche Lufthansa and United Airlines, otherwise known as A++ (case AT.39595 Continental/United/Lufthansa/Air Canada).

Under the Commitments, the parties offered to make landing and take-off slots available at Frankfurt and/or New York airports (JFK or Newark) for competing carriers to operate a daily service on the Frankfurt-New York route. The Commitments are legally binding on the three airlines.

For the Summer 2023 Season, the Monitoring Trustee is inviting applications for Frankfurt-New York (JFK or Newark) service. Seven frequencies per week will be made available to eligible carriers, subject to the third-party frequency provisions within the Commitments.

The closing date for applications for the Summer 2023 season is 18 August 2022.

Applicants are invited to contact the Monitoring Trustee for an application form at:
wn@noconpartners.com

For further details on the process that must be followed by airlines wishing to apply for these slots, please see the following link:
