Field of application

2.1. Flight operations at Karlsruhe/ Baden-Baden Airport are restricted between 2100 (2000) and 0500 (0400) (night time) to avoid noise disturbance at night. During this time, flight operations are only permitted as follows:

- 2.1.1.** Flight Operations are permitted between 2100 (2000) and 2200 (2100) after prior permission (PPR) from Baden-Airpark GmbH:
- with aircraft of more than 5700 kg MTOM included in the applicable bonus list published by the Federal Ministry of Transport, Building and Housing (BMBVS);
 - with aircraft of more than 2000 kg but less than 5700 kg MTOM based at Karlsruhe/ Baden-Baden Airport.
- 2.1.2.** Flight Operations are permitted between 2200 (2100) and 2300 (2200) after prior permission (PPR) from Baden-Airpark GmbH:
- Delayed** - Landings of delayed aircraft exceeding 5700 kg MTOM included in the applicable bonus list published by the Federal Ministry of Transport, Building and Housing (BMBVS);
- Take-offs of delayed aircraft on schedule air services and air inclusive tours of more than 5700 kg MTOM included in the applicable bonus list published by the Federal Ministry of Transport, Building and Housing (BMBVS);
