Pre-announcement runway closure in 2027

Dear Sir or Madam,

During the past summer season in 2025, further reconstruction work was executed on our runway and the adjacent taxiway areas – this will be continued within the next years.

In 2027 the runway will be closed for 12 nights in total.

We ensure you that we planned all necessary construction measures in the scope of the reconstruction with regard to a minimum of constraint to air traffic and by paying attention to the public and school holidays in Bavaria as well as the adjacent German Federal States.

The following measures will be conducted in 2027:

- ✈ Reconstruction of taxiway Foxtrott
- ✈ Partial reconstruction of the runway surface
- ✈ Electrical work
- ✈ Implementation of EASA regulations
- ✈ Markings on apron and runway

Runway closure during 12 nights in 2027, all times are world times (UTC)
